

Bourne Stormers Model Club

ISSUE 121

OCTOBER 2019

Just a short introduction this month so space can be turned over to our Autumn BBQ photos. In case you haven't had the e-mail from the BMFA, the latest information on the Drone Registration and Education Scheme (DRES) is there's no new information! The Scheme is unlikely to be introduced before the middle of the month and the BMFA is encouraging members to hold off from registering until they can issue more guidance. I think I can just about manage that! To help promote model flying generally, the BMFA are holding a PR & Promotional Skills Workshop at Buckminster on Saturday 2nd November. We've no-one going at the moment, so if anyone wishes to attend, please do. Details are on the BMFA's Facebook page.

A good attendance for our Autumn BBQ.
Thanks to Eddie and Steve for being BBQ Kings.

After a suitable pilot refuelling, the Gremlin
Combat got underway.

The sky got crowded and there were, of course, casualties.

Malcolm's Gremlin, rebuilt and ready for the next sortie. Apparently it took £1, a prop, a bit of drain pipe and a whole afternoon to fix!

Thanks to all those involved in making the event happen. The auction raised £294 for Club funds and the donations for the food raised £105. Eddie declined any recompense for buying the food and we thank him for his generosity.

Upcoming Events
