

Bourne Stormers Model Club

ISSUE 143

AUGUST 2021

There's a slight change for the newsletter this month. I'm writing it before the Club meeting (back at the Wishing Well pub) and sending it out on Thursday morning just in case anything important comes up at the meeting. The reason for this is simple - okay, it's not that simple, but it could be worse. As most of you will know I'm also a member of the RAF Model Aircraft Association and attend the annual championships. This event runs from Wednesday to Sunday and this year it's a bit later than normal, running from the 4th to the 8th of August. Just to make life interesting, my eldest daughter is getting married on Saturday, the 7th, down near Croydon and I will be required to pick up a rented people carrier on Thursday for transportation duties. (Apparently I have one or two other things to do as well). All this means that, apart from a short time on Thursday morning, I will be out of contact until Tuesday.

As there is no Club meeting information, most of this month's (3 page) Newsletter will be given over to photos from the Midlands Area Fly-In

The first bit, however, is a couple of photos showing a bit of heavy duty gardening. Although the weather was somewhat damp, a number of members turned out on Sunday and decimated the scrub land at the end of the Field. A hearty 'Thank you' gentlemen.

There may still be some stumps in there, but the jungle has definately been cut back.

The Midlands Area Fly In at Buckminster. Most of these photos came off the Midlands Area website and, I believe, were taken by Ed Mason.

Finally, for the Facebook group members, After my bad day on the 26th, my car now has two new tyres (one punctured and one with a bulge) and my Autogyro is repaired and ready for a test flight. (Yes - that is spelt properly)

Upcoming Events
