

Bourne Stormers Model Club

ISSUE 144

SEPTEMBER 2021

As a sign that a certain amount of normality is returning to our little bit of the World, the Club meeting was held in the Wishing Well pub again this month. As I was unable to attend last month, it was a pleasure to have a pint with like minded friends again, even though it meant daring to leave the house and congregate inside!

I have been asked to publish the FunFly Event results, complete with the current League standings (I resist the word 'Championship' as I do the word 'Competition' - it can put people off). After some complicated maths (mostly adding numbers together) the current results are shown on the next page. In addition, the FunFly Events may well be limited to the 'better weather' months, probably April to October - let me know what you think.

There are a couple of picture below that show the large amount of work that has been done clearing the scrub at the East end of the Field. Quite a lot has been achieved since the initial working party on the 1st August, however the tree stumps are proving a little stubborn so a Tree Stump Removal Party is planned on Sunday 16th September at 10am. The object is to make it possible to run the mower over the whole area without destroying it. Club members are encouraged to come along with any suitable tools if they have them. An e-mail reminder for this event will be sent out on Tuesday 14th September when I get back from my last Quantum kit car Factory Day.

This is the 'before' picture,
taken two years ago, with the
scrub in the background.

And this is a picture taken from the
bank by Jon this week. - It's almost
possible to mow the area now.

The Spotlight Model this month comes from Eddie, who's superior techie skills managed to get the picture transferred to my phone at the Club meeting.

The model is a Skyway Models Hawk 70. The '70' means it has a 70 inch wingspan, so it's not little. Power comes from a Saito 72 four stroke glow motor. It's still awaiting a test flight, the wind being a bit much and from the North (over the Dyke) when this picture was taken.

Here are the results and League standings for the Fun Fly Events. First position is at the top. August's results have changed slightly because I entered my scores to compete in the League.

May	June	July	August	League Position.
Mark	Malc	Dave E	Mark	Mark/Dave E
Rog	Gareth	Jim/Mark	Baz	Malc
Malc/Dave E	Dave E	Baz	Dave E	Jim
Jon	Rog	Malc	Jim/Malc	Rog
Gareth	Derek	Derek	Derek	Gareth
Jim	Jon/Mark	Gareth	Allan	Derek
Derek	Jim		Jon	Baz
	Matt			Jon
	Alan			Matt/Allan
				Alan

Finally, a warm welcome to our new member, Edwin Frith.
