

# BourneStormers Model Club

ISSUE 155

AUGUST 2022

With the combination of the Midlands Area Fly-In, our FunFly League, an invitation to the BMFA Centenary Garden Party and a visit from GBRCAA competitor John Morton, quite a lot has been happening this month and, as most of it has pictures, I'm going to keep this bit short. Gareth has sent out an e-mail asking for numbers for our BBQ on September 4th, so if you want to go, let either him or this Newsletter know. We now have Club sew-on badges available (thanks Mark) at £8 each or polo shirts in dark blue, black or red with the badge already on them at £16 each.

Top class models, Jon and Simon, flaunting the new Club polo shirts.

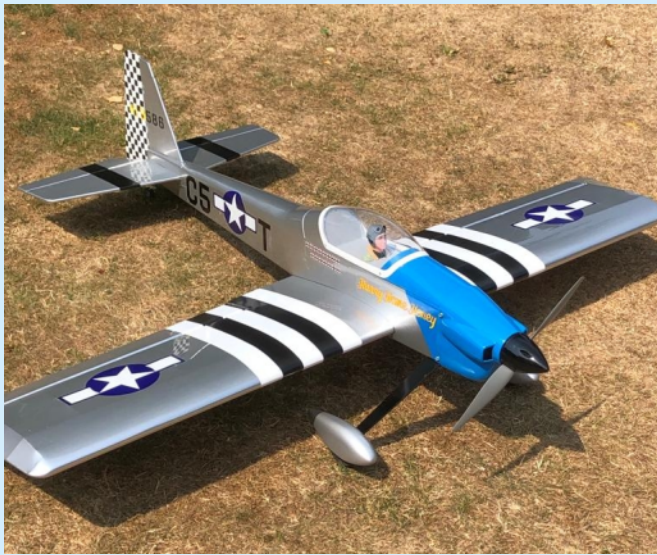

Jon and Derek, of our Cutting Crew, were elected by Club members to attend the BMFA Centenary Garden Party.

A couple of pictures from the Midlands Area Fly-In and a big thank-you to Jayann for the wonderful buffet lunch she prepared for Club members.

This month's Spotlight Model is Jon's and it's the Rukus Pro-Built P51 from Max Thrust. With a span of 1380mm and weighing a little under 2.5kg it should be a good all-rounder. Jon opted for the electric powered version, for i/c people there is a 46 powered one available - I can already hear shouts of "Should go well with a 60"! Malcolm has already test flown this one and confirms that it flies well. Jon has decided that it will only come out when it's not too windy.

I think we would all like to extend a Club thank you to John Morton, a GBRCAA competitor, who accepted an invitation to come to the Club to give us some 'Beyond the A Cert' advice and some guidance on properly trimming models, before enjoying some Chinese take out on Thursday.

Steve White deftly won this month's FunFly by a single point over Malcolm with yours truly sneaking into third place. Thank you to Simon for awarding the cake and tea cakes.

What happens when you think you're not too near the powerline pylon in the next field - This, that's what!

Finally, don't forget about the BMFA Centenary Exhibition at Buckminster, and it's time to start thinking about anything you may want to bring up at the AGM in December.

## Upcoming Events

### August 2022

**Wed 3rd**

Club Meeting at the Wishing Well

**Fri to Sun 12th to 14th**

LMA Elvington Show, Yorkshire
