

# Bourne Stormers Model Club

ISSUE 177

JUNE 2024

With June comes the official start of Summer and, surprisingly, we were presented with some fine flying weather on the first Sunday. I know a number of people enjoyed a great day's flying while I headed over to the National Kit Car Show at Malvern and tried (successfully) to not buy another car.

At the Meeting Derek reminded us about the Summer Meal on 20th July at the Waggon and Horses in Langtoft. He'll be posting the menu on Facebook and Whats App shortly, also Gareth will e-mail out a copy to everyone soon. A deposit of £5 a head is requested (paid to Derek) along with Starter and Mains choices by the July meeting. This Newsletter can forward menu choices on to Derek if required.

For anyone that's been down the Field recently, the dyke repair work seems to be finished and the track has been left in very good condition, probably the best it's been.

Ongoing thanks go to the Cutting Crew and Mole Catchers. With the green mower killing it's starter motor again and a single mole attacking the square, the Field is still in excellent condition, even though our recent Novelty Flying Event tried to punch some holes in it.

The line up for our Novelty Flying Machines Event.

This month's Spotlight Model is a 'never to be repeated' collection. These are the models entered for our Novelty Flying Machine Event as they were launched. The subsequent flights were a little short with no-one completing a circuit and landing in the Field, but all provided some high quality entertainment for everyone watching.

Finally, a couple of reminders for upcoming events. Our FunFly event on the 16th June will be joined by another Polaris event for those that survived, and don't forget about the Midland Area Fly-In on Sunday 7th July at Buckminster (which how has a sit down Cafe - great for a bacon butty break!).

## Upcoming Events

### June 2024

**Wed 5th**

Club Meeting at the Wishing Well

**Sun 9th**

Melton Model Club FunFly Comp.

**Fri/Sun 14th & 16th**
